OUR VISION

Providing of affordable and quality education to all, especially to the backward and the marginalized people, the Muslims, Scheduled Castes and Scheduled Tribes. Empowering of the under privileged through Education. Providing of education catering to the needs of present global job market.

OUR MISSION

We dedicate ourselves for the educational uplift of the people. We devise and execute academic, co-academic and other programmes to ensure them quality of life, social and economic equity, which ultimately will fortify us as a nation. The progress of a nation is the progress of its people.

ALWAYS REMEMBER

Right path leads to right destination

Education today is more diversified and branched out with the addition of new courses hitherto unheard of. Many new academic programmes are being introduced with a view of supplying manpower to the International job market, especially in the post globalized era. However the universal spread of education has resulted in drastic dilution and deterioration of quality, which must be prevented at all costs. Hence the choice of the right institution with right courses assumes significance.

M.E.S. Mampad College invites you to the portals of higher education. We provide education with a sense of purpose, which ultimately will lead to the moulding of a complete man, difficult though the task is. A candidate should be equipped with number of skills and that is exactly what we provide at Mampad College.

OBJECTIVES

- Imparting of quality education beyond curriculum
- Enabling the learners apply education to find solution in real life situations.
- Motivating the learners for research, as education is becoming rapidly research oriented.

The cafeteria of the college is situated in an exclusive & spacious building.

Green Campus

We lay genuine emphasis on the scenic beauty and greenery of the campus by protecting trees, the flora and fauna and by diligently maintaining a garden in front of the college, and on both sides of the approach road.

Features:

- Well Equipped Seminar Hall
- Spacious auditorium for meetings and cultural Programmers.
- Gymnasium
- Well-maintained play grounds
- Well stocked library and reading room
- Audio-video facilities to supplement lectures.
- Students' Centre
- Digitized Classrooms
- Co-operative store

SUPPLEMENTARY ACTIVITIES

TOTAL IMPROVEMENT PROGRAMME

A skill development programme aimed at the academic community in association with CIGI Calicut, with the following objectives is functioning in the campus.

- To provide proper guidance and counseling to enable students plan their career.
- Nurture students with life skills and leadership quality
- Ensure communal harmony among students
- Update teachers with modern approaches in teaching, counseling and motivation.
- Paradigm shift in the mind of students, parents etc.

PATHWAYS PROGRAMME

This is the only institution from State of Kerala, which got assistance for the Pathways Programmes of the Foundation For Academic Excellence and Access (FAEA). The programmes professed objective is helping the less privileged students from Dalits like SC/ST, Muslims and other economically and educationally backward communities. Under this programme 100 deserving students are selected and they are given systematic and structured coaching in areas where they need special assistance and care, especially in computer education, language skills and personality development by inviting competent resource persons in respective areas. The Pathways focuses on the empowerment of the less privileged, and hence it is a great boon to the marginalized students.

REMEDIAL COACHING CENTRE

This UGC sponsored Remedial Coaching Centre gives additional classes for SC/ST students and from other backward communities in subjects like Physics, Chemistry, Mathematics, Statistics, Accountancy and English.

COACHING CENTRE FOR ENTRY INTO SERVICE

This UGC sponsored centre , among other things, arranges coaching and prepares students for taking various recruitment tests conducted by the PSC Kerala, UPSC, Indian Railways, Banks and other public/ Private sector undertakings.

CAREER AND COUNSELLING CELL

This UGC sponsored cell functions in the campus with the following objectives

- To provide information on job opportunities and placements
- To organize seminars and guidance workshops for information about emerging professional trends.
- To promote discipline, healthy outlook and attitude towards national integration.

NET/SET COACHING CENTRE

This UGC aided centre prepares SC/ST/OBC candidates and candidates from Minority communities for appearing for NET or SET, so that sufficient number of candidates will be available for selection of lecturers in the University system from these groups.

CIVIL SERVICE ACADEMY

The Civil Services Academy started functioning in the academic year 2009-10 with the following objectives.

- Giving orientation at an early stage for aspirants into civil services.
- Providing of the financially weak, but deserving candidates for civil services by providing scholarships.
- Conducting of training and research programmes to help individuals serve the society.

CENTRE FOR PHYSICALLY CHALLENGED

This UGC sponsored centre takes care of the needs and problems of the differently abled students admitted in various courses. The centre also provides guidance and counseling, good learning equipments and study materials to them.

PLACEMENT CELL

The placement cell organizes campus interviews of reputed companies and organizations on the campus itself. The cell also informs students of various openings suitable for their qualifications and experience.

WOMEN DEVELOPMENT CELL

The cell focuses on gender related issues, and builds healthy gender sensitivity among the student population. WDC organizes diverse programmes for empowering female students and staff of the college.

EQUAL OPPORTUNITY CENTRE

The UGC Sponsored center functions with the objective of empowering the socially deprived students, by inviting scholars for talks, by publishing journals focusing on the problems of the less fortunate. It works for social harmony among people of diverse social background.

- Efficient Tutorial System and Guidance.
- Accommodation and Conveyance Allowance to Selected Students.
- Scholarship to selected Students Belonging to SC/ST/Minority Communities, OBC, Students Facing Financial Constrains and Physically Challenged.
- Educational Tours and Academic Linkage with Industry.
- Outreach Programmes Through Voluntry Bodies Like NSS,NCC (Army & Naval wing), Youth Red Cross, etc.
- Talent Scan in Sports, Games, Literary and Artistic Fields.
- Entrepreneurship Development Club.
- Nature club, Tourism club, English club, Arabic Club, Film club.
- Readers' Forum.
- Ethics Committee
- Anti-Ragging Cell
- Women's Grievance Redressal Cell
